RESOLUTION

Honoring military children during the National Month of the Military Child.

Whereas almost 2,600,000 individuals demonstrate courage and commitment to freedom by serving in the reserves or active duty in the Armed Forces of the United States;

Whereas 35.9 percent of active duty members of the Armed Forces have children;

Whereas approximately 2,000,000 military children have experienced a parental deployment since September 11, 2001;

Whereas no one feels the effect of deployments more than the children of deployed members of the Armed Forces;

Whereas approximately 2,300,000 children under the age of 18 live with a veteran who is disabled;

Whereas more than 25,000 military children have experienced the death of a military parent since September 11, 2001;

Whereas the daily struggles and personal sacrifices of children of members of the Armed Forces are too often unnoticed;

Whereas countless children live with a parent who is a member of the Armed Forces and who bears a visible or invisible wound of war;

Whereas the children of members of the Armed Forces are a source of pride and honor to the people of the United States, and it is fitting that the United States recognize the contributions and celebrate the spirit of such children;

Whereas the National Month of the Military Child, observed in April of each year, recognizes military children for their sacrifices and contributes to demonstrating the unconditional support of the United States for members of the Armed Forces;

Whereas, in addition to programs of the Department of Defense and the Department of Veterans Affairs to support military families and military children, various programs and campaigns have been established in the private and nonprofit sectors to honor, support, and thank military children by fostering awareness and appreciation for the sacrifices and the challenges that these children face; and
